MARCH 12TH 2023 | 3RD SUNDAY IN LENT

## Called to drink Living Water to become that source of Living Water for others

During this Lenten season the Church gives us three very powerful gospel accounts that correspond to the sacraments of initiation: Baptism, Confirmation and Eucharist. This Sunday we meet the Samaritan Woman at the well who asked Jesus for living water reminding us of our Baptism. On the fourth Sunday Jesus meets the man born blind and he is anointed, as we are anointed at Confirmation, with a paste made with spittle and regains his sight, and on the fifth Sunday Lazarus is raised from the dead and given new life, as we are given life every time that we celebrate the Eucharist and are given the bread of life Jesus Himself. Each account reveals the humanity of Jesus as He responds to one who is thirsty, one who is blind and one who is bound.

But today's gospel account has an extra dimension in the encounter. The Samaritan woman is worthless by the standards of Jewish society at the time. Jews had no dealings with Samaritans; secondly, she is a woman: a second-class citizen in the eyes of the Jews and thirdly she has had five husbands and is living with another man, and in her village she is undoubtedly a shamed person. In this situation it would be logical for Jesus not only to uncover the woman's shortcomings and offer her some pastoral and spiritual help but instead Jesus turns the relationship around. He not only approaches the woman, He asks for her help. Jesus is tired and thirsty: 'Give me a drink'. The Samaritan woman then brings Jesus into the village and the villagers come to Jesus because of her. She is no longer worthless, she is called to evangelise her village. It is through the pure gift of love and acceptance that human worthlessness is turned into gift. Before we were baptised, we were outside the Church but through our Baptism we were cleansed of our sins and given living water, a spring of living water to dwell in us. "Once you were no people but now you are God's people".

Like the Samaritan woman each one of us is called to partake in Christ's mission on earth. It does not matter where we have come from or what the past has been, Jesus loves us as we are. And as we journey through Lent, He wants to complete that initiation in each one of us: to anoint us with His spirit and to nourish us with His very self.

As the Samaritan Woman was sent out to her village, through our Baptism, Confirmation and participation in the Eucharist we too are sent out.

At the Plenty group meeting last Monday a number of us explored the pervasiveness of consumerism and advertising and how we are constantly being fed with images and emotive psychology to lure us to a better life or way of living.

Jesus does not ask us to put ourselves on billboards or commercials. He simply asks us to live His gift of living water, that will never make us thirst again in order that others may also drink and be filled.

## Questions to Ponder for the Week...

1. "The water that I shall give", Jesus says in today's Gospel, "will turn into a spring inside you, welling up to eternal life". What is that 'water' for you? Faith? Hope? Life? Love?.....
2. ".....the people complained against Moses....." (1st reading). Why? Were they frightened? Were they despairing? Did they fear death? Why?
3. "This hope is not deceptive..." St Paul writes (2nd reading). How would you describe your sense of 'hope'? Strong? Weak? Well founded? Founded on what/who?

### **The Catholic Association to Pilgrimage to Lourdes 2023.**

**August 18th-25th** After a fallow few years due to Covid 19 the CA have been working hard to ensure that this year we have a medically supported pilgrimage for Adult Assisted pilgrims who need care and support during their journey and time in Lourdes. This requires a nursing and medical team but most importantly a large number of volunteers to support the smooth running of the pilgrimage.

Volunteering includes a wide range of roles from making teas and coffees, to pushing wheelchairs.

Lourdes is a very special place, and everything is geared around making it a positive and memorable experience for the sick. But for those of us who volunteer it is a week that we never forget, and Our Lady always gives us something in return. If you are interested in joining either as an assisted pilgrim, able-bodied pilgrim, volunteer or a health care professional there are more details on the Catholic Association website:

<https://www.catholicassociation.co.uk>

If you have any questions you can also talk to Tina or Fr Vincent who will be going again this year.

### **Portsmouth Diocesan "Don Bosco" Boys Camp - 23 to 29**

**July 2023** We are delighted that this camp will be going ahead again this summer for boys of secondary school age. The camp will be at St. Cassian's, Kintbury. There will be plenty of sport, outings, competitions and fun and games to ensure that boys will have a fantastic few days. This will continue to take place within the context of the celebration of the Catholic Faith, including daily Mass and morning prayer. The cost of the camp is £230 (part bursaries may be available on application).

**Right to Life Petition** The abortion lobby is expected to make another attempt to introduce abortion on demand, for any reason, up to birth (including sex-selective abortion). This would be the single biggest change to abortion legislation since 1967 and would introduce one of the most extreme abortion laws in the world. Right To Life UK is running a petition to ask the Prime Minister to do everything in his power to stop the introduction of abortion up to birth. **Please add your name to the petition here:** <https://righttolife.org.uk/signthepetitionorishi>
